Looking at equality, diversity and ethical issues 9. eClips passport

All pupils will update their online careers booklets from September 2018 to July 2019 and attend the Careers Fair on Thursday 4th October 2018.

Additional events will take place throughout the year to ensure pupils engage with a range of training, apprenticeship, career and university providers. Such events will include careers talks, mock interviews, guidance sessions, career workshops and visits to employers. A detailed database with all pupil's career aspirations allows us to carefully target our invites to certain events but most are open to all who choose to sign up.

A team of Careers Champions, made up of enthusiastic pupils, will help support events and drive the Careers Programme forward.

From September 2018 a new Alumni Network will be launched, fostering greater links with our former pupils to bring about new opportunities for our pupils (such as mentoring), enrich the delivery of our careers programme and allow us to proudly showcase the many wonderful achievements of our former pupils.

Barr Beacon School is also proud to announce it is a Lead School in the Black Country Careers Hub Steering Group where it will work with the local consortium to share best practice. Barr Beacon school will measure and assess the impact of its own careers programme using the Gatsby Benchmarks and the Compass and Tracker tool, as well as using our own internal evaluations, including the opinions of providers, pupils, staff and parents.

Review Date: July 2019
