KEEP YOUR CHILD SAFE BY PARKING SAFELY

Despite repeated requests last academic year, I am again asking parents not to park dangerously i.e. on pavements, double yellow lines or on a junction of local roads this has continued.

Cars regularly park on the double yellow lines on Old Hall Lane and have also been observed reversing back down Old Hall Lane. Parents who park on Beacon Road, opposite the school, are expecting their child to cross a very busy, main road rather than walking to the pedestrian traffic lights.

On behalf of the life of every single child at Barr Beacon School, can parents **PLEASE PARK SENSIBLY AND THOUGHTFULLY.**

We have asked both police and local parking enforcement officers to regularly visit the area during the mornings, at the end of the day and school functions.

There are a small number of children currently on crutches and I can understand these parents need to drop their child off at the school gates. However, no Headteacher wants to write to parents about a fatal accident involving one of their children.

The parking is also causing problems for children of primary school age who live locally or go to local schools.

I thank you for your continued support and ask that we keep our children safe and park responsibly.

Yours sincerely

Ms L Draycott
Headteacher
