Our Ref: LD/PK/cc/Bring a bottle

11th April 2019

Dear Parents / Carers

BRING A BOTTLE TO BARR BEACON

I am sure, like myself, you have become increasingly aware of the impact that single use plastic is having on the world's oceans and wildlife.

At Barr Beacon School, we are trying to minimise our impact on the planet and are reviewing the way that we work. The first step we are going to take is to stop the use of plastic cups with our water fountains, both in the Bistro and the main school hall. This move will massively reduce our single plastic use.

From Monday 29th April 2019, we will no longer be providing any plastic cups to staff or pupils, therefore pupils will need to ensure that they bring a bottle to school, so that they can remain properly hydrated.

I thank you in advance for your support and hope that over the coming years we can work together to improve our planet.

Yours sincerely

Ms L Draycott
Headteacher
